

love is in the air

Romantic places to ignite the flames of passion.

Lao Beijing

Part of the famed Tung Lok Group, this popular Chinese restaurant serves only the most authentic cuisines from the capital of China, and more.

Love Nosh: Signature dishes such as steam juicy meat buns (S\$8) and the weird sounding Chairman Mao favourite shredded pork with salted beans, chilli and leek sprouts (S\$12) aren't exactly romantic, but will leave both of you feeling immensely satisfied.

The Look of Love: More swanky than cushy, this Chinese eatery isn't your typical romantic watering hole but booth seats by the windows certainly ups the cosy factor.

Extra: Attentive and friendly staff to help with all your needs.
